SYNTHETIC DEMO DOCUMENT - fictional project, not for construction use.

Kestrel Yard Depot Extension (fictional)
Inspection Procedure IP-01, Revision B

Issued 20 October 2026. This revision supersedes Revision A.

1. Purpose

This procedure sets out how site inspections are requested and recorded.

2. Inspection requests

The Contractor must give the Site Manager 72 hours' notice of each inspection.
Requests are made on the site inspection form.

3. Covering up work

Work that is to be inspected must not be covered until the inspection has taken place.

4. Records

The Site Manager must sign the inspection record on the day of the inspection.

Revision note

The notice period in section 2 changed from 48 hours to 72 hours.
